GSE market closing time was changed from 13.00hrs GMT to 15.00hrs GMT on January 4 2011
GSE has introduced a new method of calculating closing prices of equities on the market. This took effect on January 4, 2011
Closing prices of listed equities will be calculated using the volume weighted average price of each equity for every given trading day
GSE has constructed two indices namely GSE Composite Index(GSE-CI) and GSE Financial Stocks Index
Both indices have their base date as December 31, 2010 and the base value for both is 1000
